# Frequently asked questions

#### When do I need to submit my claim?

Your claim can be submitted within one year of the date of diagnosis. Please refer to your certificate for complete details.

## When will Symetra make a decision on my claim?

We typically make claims decisions within 10 days of receiving completed claim forms and any additional required information. Depending on the complexity of the claim, this review period may be extended up to an additional 15 days. If your claim is approved, you can expect to receive payment within 7-10 days.

# Can Symetra help me gather any remaining information from my medical provider?

Yes. Additional information such as doctor notes may be requested, and we're happy to help you gather the remaining details after you or a provider initiates a claim. We'll just need you to sign a release of information form so we can contact the provider on your behalf.

# Does the policy have to be effective to receive benefits?

Yes. The diagnosis of a covered health condition must occur while the policy is active.

## Are my critical illness benefits taxable?

Benefits may be taxable and may affect eligibility for public assistance like federal, state or local welfare programs. Any critical illness benefits beyond the costs you incur for medical care may be taxable, depending on whether you or your employer paid the premium, and whether premiums were paid on a pretax or after-tax basis. Consult a tax professional and/or your benefits representative if you have any questions.
